

KidSport Timmins
376 Poplar Ave
Timmins, Ontario
P4N 4S4

Dear ,

KidSport Timmins wishes to thank you for your partnership to assist children in keeping active. KidSport helps children from disadvantaged families; therefore it is important that every dollar spent for registration be used. Our goal is to keep these children active and healthy by providing registration fees end equipment for activities.

In 2010, our organization issued over 425 vouchers to 225 children in order to support them in activities. It is important to note that vouchers have an expiry date and must be invoiced prior to the expiry date or they have no value. It is important that your organization invoice KidSport Timmins at the end of every month. You must attach the voucher with the invoice for payment or the invoice will be returned. If the expiry date has passed then you must call the office for approval of a one week extension.

Our office is operated by our volunteer board members and our staff person is there Tuesday's during the hours of 9:30 am to 12:30 pm and Thursday's from 6pm to 9pm. We are also requesting that if for any reason a child does not continue to attend his/her sessions with your organization that you notify us and provide KidSport Timmins with a credit to be applied to another child.

Since 2002, we have funded many children to physical activity. We are requesting that you partner with us in providing some financial relief or free spots to KidSport children. Remember these children would not be registering with your activity without KidSport funding. If, for some reason, this year, partnership is not viable, please inform us.

Included in this mailing is a progress sheet indicating our work over the last eight years as well as a form asking for your organizational information as well as your partnership details for 2011. Please mail, fax, or e-mail this form to the KidSport office by the end of January so our office has this information in its files.

In a time of economic uncertainty, we at Kidsport, along with your help are stepping up to aid the youth of Timmins. Several application forms, which you may photocopy, are being sent along with this mailing for your benefit and knowledge as well as being of better service to your participants.

The new applications for 2011 will be available on line at: kidsporttimmins.com. We thank you again for your support in offering this program. If you would like to meet to discuss the partnership or make an appointment for a presentation to your organization please do not hesitate to contact the office at 268-1112 or fax 268-3113. Should you have any questions or concerns with respect to the adjudication process, please feel free to contact Wendy Howson at the office. We hope for continued successful years.

A separate meeting for all dance studios and all sport organizations that Kidsport partners with, will be held in late November to detail the program and the partnership agreement. This will be at the YMCA with the adjudication committee and a call will be made to confirm your attendance.
